Description: The Hendricks County Half Marathon is in its sixth year. A group of community members decided that this event would be a great way to keep the community on the track towards wellness. HC Half Marathon is laid out on a very scenic and semi flat course. Starting in the town and heading out to rural Danville. You will get to see many of the reasons why the Town of Danville is such a special place. You will never run such a beautiful course.

All participants will receive medals and prizes will be awarded for overall and division winners. This is the sixth year for this event and has been run by local organizers. All funds raised will be put back into the local park and recreation department for improvements to an already stellar park system.
